THE CHALLENGE CHAMPIONSHIPS

HOW TO... RECORD FOR A PODCAST!

If you've opted to complete our reviewer in chief challenge, you'll be wanting to record some book reviews for our podcast. The good news is that podcast recording is super easy and can be done on a phone, computer or tablet. Here's how we'd advise you record your review...

1. Go to <http://Anchor.fm>. Click on the SIGN UP button in the right hand corner. Enter your details and click the button to SIGN UP. (Make sure you have an adult's permission)!
2. Click on the LET'S DO IT BUTTON and then click RECORD
3. Click START RECORDING NOW... talk, leave a few seconds after you've finished talking before you click stop so you don't get cut off.
- 4.. Your recording will automatically save to your library. You can use the PLAY button to listen to it.
- 5.. If you're not happy with how the recording sounds press RECORD (on the left hand side) and press START RECORDING NOW.
6. When you've got a clip you're happy with click on the three buttons next to the plus sign and click download audio file. This will open in a new window. Click on the three dots again and download the audio file. This will create a version on your computer to send to us.

TOP TIPS FOR PODCAST PROS!

- ✦ Record your review somewhere quiet without too much background noise. Try not to rustle paper whilst you talk!
- ✦ Don't just tell us what happened in your book, tell us why you loved it!
- ✦ If Anchor looks a bit scary use a dictaphone app.
